ROBOCUP

WESTERN AUSTRALIA

Junior '10

Ever wanted to build your own robot? Here's your chance!

Make a robot that can dance, rescue victims or play soccer and compete against other teams, in Robocup Junior 2010.

Robocup Junior Australia is an exciting interschool tournament which encourages young people to take an interest in scientific fields through robotics.

Scitech will again host the 2010 event with preliminary rounds on Friday 13 August and finals on Saturday 14 August 2010.

So get a team together and register by 27 July 2010 for your chance to win some fantastic prizes. For more information and registration look under 'State websites - WA' at: www.robocupjunior.org.au
