

Junior RoboCup 2009

When: Thursday, 6th August, 2009
Start: 8:30am sharp!
Finish: Approximately 2:30pm
Where: Australian National University (ANU)
Melville Hall - Building # 12
 (off Ellery Cres. ACTON)

DROPPING YOUR CHILD OFF?

There is limited parking at ANU!
 Because of this, your best option is to enter the ANU campus via Ellery Cres. and double park quickly in the turning circle (at the end).

The entrance to Melville Hall is right next to the end of the turning circle.

Students will be able to follow the RoboCup signs into Melville Hall from here (20 steps away).

If you enter the hall from here you will be on the correct level.

Ellery Cres. turning circle – right next to Melville Hall - see photo below.

Strictly no parking here but drop-offs are acceptable.

Students can then follow the signs into Melville Hall - only 20 steps away.
