

RoboCup Junior Dance, Rescue & Soccer Workshop

Attention: Primary, High School
Teachers and Students

Robocup Junior Dance, Rescue & Soccer

RoboCup Junior Australia (RCJA) is a project-oriented educational initiative that supports local, regional & international robotic events for Primary & High school students. Teams work in a cooperative & supportive environment developed by volunteer groups of teacher, past competitors & industry members in three distinct challenges; Dance, Rescue & Soccer. The focus of RoboCup Junior is the development of teamwork skills as well as technical skills in an environment of participation, fun & excitement. For more information on RoboCup Junior Australia please refer to the website www.robocupjunior.org.au

The following RoboCup Junior Dance, Rescue & Soccer Workshop is conducted by the RCJA NSW Committee with the support and help of Modern Teaching Aids.

Teachers and students are invited to participate in the various workshops and coaching clinics throughout the day. Robots will have the opportunity to participate in a friendly competition towards the end of the day.

This day will give teachers and students the opportunity to prepare for the RoboCup Junior NSW Open and to become familiar with the competition rules and conditions.

Bookings can be made via the web site www.robocupjunior.org.au on the NSW page.
