

RCJV Mentor Declaration

Rationale

Robocup Junior is a volunteer run initiative and we have grown to the point where the organising committee no longer has sufficient pairs of hands to staff all roles on competition day. We need mentor support on the day and this document is designed for mentors to confirm some important operational details.

Action

Please complete this mentor declaration, and submit it, along with a signed media release for each student competing at the time of registration on competition day.

Volunteers

How many students are competing from my organisation?.....

We are providing one volunteer per ten students. Their names and Working with Children Check Number or Teacher Registration Number are below:
