Rescue Field in Victoria

The Rescue fields in Victoria are produced to maintain consistent colours across all Victorian competitions and fields. The shades of colours chosen will reliably identify as discrete colours when using Lego NXT or EV3 colour sensors. For details of the Victorian Rescue field, please visit robocupjunior.org.au/vic/rescue

Victorian Rescue Rules

The Victorian Rescue rules are available at robocupjunior.org.au/vic/rescue Please ensure you are familiar with this. If you have students competing in Open Rescue, you will also need to be familiar with the RoboCupJunior Australia National Rescue Rules 2016.
