Update from the President

Margaux Edwards - 2022 President

Dear RoboCup Junior Queensland community,

For those of you who have not personally communicated with me, I'm Margaux Edwards and I have been the 2022 President of our State committee. I wanted to contact you to let you know about some of our upcoming events and invite you to our first ever open RoboCup Junior Queensland AGM.

Once again I thank the community for their support throughout the year. It was certainly not the year expected with our trailer with all our equipment being stolen at the beginning of our season! Thank you to all who have donated and shared our gofundme campaign to start recouping the \$20k needed to buy and rebuild our trailer!

As our season draws to a close, I would like to thank the 2022 RCJQ Committee for their continuing support, our Platinum National Sponsor, Modern Teaching Aids and our State Supporter, University of Queensland for their ongoing support.

Please note, we have not yet confirmed dates for our RCJA 2023 Queensland State and National competitions. These dates, as well as our full 2023 calendar will be emailed and posted on our social media pages as soon as they are confirmed.

We look forward to seeing you join RCJQ community in 2023 at our events and workshops!

RoboCup Junior Queensland AGM

25 October 2022, 6:30pm Normandy Hotel, Brisbane or virtually via Zoom

We invite all RCJQ community members to participate as part of our upcoming AGM, to hear about the year that was and our committee's plans for the 2023 season.

If you would like to attend the meeting in person, please RSVP here: <https://forms.gle/PtZ288KrqovgziXV8> by the 18 October 2022 so we can confirm numbers. Places will be limited.

Online attendance will be via Zoom. Please register here: <https://forms.gle/5mMLeh4igh2Ws8Ww8> and include your preferred contact to be sent the Zoom link prior to the meeting. We strongly welcome regional participants to be involved!

RCJQ Workshop - 18 November 2022 | 8:30 - 2:30pm
North Lakes College, Endeavour Building, North Lakes

INTRODUCTION TO ROBOCUP WORKSHOP

18 November 2022, North Lakes College

RCJQ will be having one final workshop in 2022 hosted at North Lakes College on 18 November to help you get started for the 2023 season. Students, mentors and teachers are welcome to attend to participate in workshop sessions focusing on the RoboCup OnStage and Rescue Line with a very special workshop facilitator, RCJA Life Member, Damien Kee!

HOSTING A 2023 ROBOCUP EVENT

Expressions of Interest to host a Workshop or Regional Competition

We are currently looking for hosting schools for our 2023 season! We are actively looking to explore our regions and support you in starting teams, building your skills and help hosting an event in your region! Please get in touch via this poll – the committee is flexible with the type of workshop or event and happy to cater to your schools and participants! Please email margaux.edwards@robocupjunior.org.au if you are interested in hosting an event in 2023.

Expression of Interest - Brisbane Regional Competition - Term 2, Week 8 2023

We are currently taking nominations for our Brisbane Regional event with the aim of hosting the event in Week 8, Term 2 2023. If your school is interested, please email margaux.edwards@robocupjunior.org.au directly with ideas for venues.

Notice of RoboCup Junior Australia AGM

Wednesday 2 November 2022, commencing at 8pm AEDT

All RoboCup mentors, volunteers and community members are invited to attend the RoboCup Australia AGM taking place in early November. If you are currently not a member of RoboCup Australia, you can register as a member by contacting secretary@robocupjunior.org.au by the 20 October to be able to vote at the AGM. If current members are unable to attend, you are welcome to give your proxy vote to a member of the Queensland committee if you wish to do so via this link <https://forms.office.com/r/e6uBkWbxRn>.
